#### **Topic: How School Fosters Human Excellence Through Competence – 3 ways**

The Class Assembly of XII B held on the radiant morning of 24<sup>th</sup> June 2025, on the topic “How School Fosters Human Excellence Through Competence” was a well curated event, brimming with the combined efforts, talents and most importantly the competence of the students.

The day began by invoking the blessings the Almighty by rendering the Gayatri Mantra and the D.A.V. Gaan followed by a very warm welcome to the audience, by Keshav Mukund, Madhur Sanjay S and Vishwa A.

The highlight of the assembly, ‘When Mirrors Remember’ beautifully conveyed how the School instils competence, where the protagonist, caught in self-doubt, is reminded by a talking mirror of her true strength and potential. ‘Competence’ - a seemingly simple ten-letter word—was brought to life through the students’ enactment, which powerfully illustrated that small actions and initiatives taken by the school like ‘The Youth Ideathon Programme’, ‘The Council Elections’ and the ‘Hindustan Scouts and Guides Program’ brought about rather big changes in the hearts of the students. The Mirror of Competence reminded the protagonist of the strong, wilful and competent DAVite that she has been moulded into.

The programme then seamlessly transitioned into the next segment titled ‘The Stage That Built Us’. Through this programme the students threw light on six other ways in which the School builds competent citizens. These included, ‘Clusters’, ‘Interschool Cultural Events’, ‘Bribooks Summer Book Writing Campaign’, ‘Self-Defence Sessions’, ‘Career Counselling Programmes’ and ‘Participation in Intramural and Interschool Competitions.’ The Event showcased the talents of all the students. Whether it was through speeches, dance, song, writing, innovation, or leadership, the students proved that their school had helped them grow and shine in their own unique ways.

‘The RSIC Summer Program’ was also pondered upon and the attendees shared their experience with their peers. Students who had the wonderful opportunity to attend a seminar on Internal and External Threats to India's security shared their insights and takeaways. An honorary moment was created for the achievers in the SSE and SSCE of Std. X and XII during the Academic Year 2024-25 by sharing their results.

The Class Assembly of XII B received overall positive feedback from the Principal, Parents, Teachers and Alumni. A poem-like Vote of Thanks was rendered by Y S Bhavatharini and P Joshita. The stage decoration show-cased the medals and certificates won by the students of XII B and added the cherry on top of their ‘Cake of Competence’. A surprise hidden within the class assembly invitation, revealed that each and every person has ‘The Most Competent Person’ within themselves and that it is us who have to bring that person out. The students of XII-B proved this statement by delivering each and every program of their class assembly with dedication, confidence and **competence**.
