Topic: How School Fosters Human Excellence through Conscience - 3 Ways

Conscience is the cognitive process of every human being to be able to discern right from wrong and to make the decisions which are morally and ethically correct. The Masters of Ceremony, H G Pragnya and Ambar Dora shouldered the responsibility of anchoring the entire show. The assembly commenced by invoking the blessings of the Almighty and the audience was then accorded a welcome.

Kaleidoscope of Conscience

Understanding conscience must be accompanied by the resolve to act upon it. The topic, based on School's Vision, was expounded through 3 skits, all of which enlightened and entertained the audience. Aptly titled "Kaleidoscope of Conscience", the show explored various aspects of our inner goodness. The third skit seamlessly integrated music with theatre, displaying musical as well as kinesthetic intelligence.

A synchronized dance, representing how conscience and consciousness should coordinate in life, followed the main show. An insightful conclusion put the entire assembly into perspective for the audience.

The show was praised for its humour, Improvisations and life-like recreations of human emotions. Moreover, the punctuality of the class and the efficiency with which the stage was tidied up was commendable indeed.

The assembly was acclaimed for its creativity and performance of the characters. The creative Invitation card was also received a special mention from the Principal.

The School Management and audience were then graciously thanked with a thoughtfully crafted 'Vote of Thanks'. The Students of XII-C wrapped up their assembly with a witty and captivating sign off followed by the National Anthem.
