The Class Assembly of XI A was held on 9<sup>th</sup> July, 2025 on the topic, “How School Fosters Human Excellence through Conscience”.

The Assembly commenced with the chanting of the Gayatri Mantra followed by DAV Gaan. A cheerful and radiant welcome was presented gracefully by Prajyothi Behera.

The main highlight of the assembly was a presentation titled “The Inner Voice: A Dialogue on Conscience”. A short but striking speech with linguistic twist was delivered by Nishita and Niranjana. This enlightening segment explored the meaning and significance of conscience in everyday life, encouraging students to listen to their inner voice and act with integrity.

Adding a creative and engaging dimension to the theme, the students presented a **skit** titled “How to Train Your Dragon.” The skit, though infused with humour and comical moments to keep the audience entertained, cleverly depicted how school contributes to taming and training the “dragons” within us -symbolic of our impulses, fears, and dilemmas. Through discipline, moral education, and constant guidance, schools empower students to cultivate a strong, well-informed conscience and to emerge as responsible, empathetic individuals.

The Assembly was concluded zestfully with the Vote of Thanks followed by Shanthi Paat.

The stage backdrop was adorned with vibrant and meaningful artworks crafted by the students themselves, each piece symbolizing aspects of conscience and excellence, filling the stage with colour and charm.
