Topic: “How School Fosters Human Excellence through Competence – 3 Ways”

The students of Class XII E conducted a vibrant and intellectually engaging assembly centered on the theme “How School Fosters Human Excellence through Competence – 3 Ways”, highlighting Cognitive, Artistic, and Strategic Competence through an innovative game-show format.

The program began with a spiritual invocation through the Gayatri Mantra, followed by DAV Gaan. The Welcome Address was delivered, setting the tone for the day’s events and introducing the theme with clarity and purpose.

The highlight of the assembly was a thrilling game show titled “18 Show”, in which 18 participants were divided into three teams. The game was structured in three competitive rounds, each designed to showcase a different dimension of competence, with one team getting eliminated in each round to finally reveal the champion.

Round 1 – The Mind Maze (Cognitive Competence)

A quiz contest that tested participants on current affairs, famous personalities, business knowledge, and logical reasoning. It displayed students’ intellectual sharpness, awareness, and analytical thinking.

Round 2 – The Battle of Beats (Artistic Competence)

This round featured a dance battle where teams performed energetic and creative routines. It emphasized expression, rhythm, and collaboration, showcasing the artistic side of student excellence.

Round 3 – The Last Lie (Strategic Competence)

Six contestants faced off in a high-stakes deception game where they drew cards marked either 'elimination' or 'safe'. Four participants were eliminated by chance. The final two faced a psychological showdown involving two suitcases — one containing prize money and the other empty. One played the role of the opener, the other the asker who had to decide whether to switch based on a strategic round of five questions.

After intense deduction and drama, Hanshika from Team B emerged as the final winner.

Following the game show, Mr. T. Madhurendran Ajit Singh, parent of Ashley XII A addressed the gathering with an inspiring speech on Holistic Development.

To bring the experiences of alumni to light, the assembly featured a Mystery Box Activity inviting them to share fond memories and transformative moments from their time at school.

The program concluded with a heartfelt Vote of Thanks, acknowledging the efforts of students, teachers, and staff, followed by the serene chanting of the Shanti Paat.

The assembly was a true testament to how DAV fosters Human Excellence not just academically but in all spheres of life, through real-time opportunities to exhibit competence, creativity, and character.
