EARTH DAY CELEBRATION - (Nursery Wing)

'Earth Day' is celebrated to promote the idea of ecology, to encourage respect for the life on earth and growing concerns about different kinds of pollution on 20/4/2017.

'Earth Day ' was celebrated in the Nursery Wing of our school with a myriad of education and fun filled activities.

It was a great day to showcased education, highlight efforts to green the school and engage the whole student community in making a difference. Children were shown songs related to the same on the Smart Board. Banners with ' Go Green ' and ' Plant a Tree Today' were put up for reading. Children learnt the importance of preserving planet earth.

Reduce, Reuse, and Recycle waste, Do Not Waste Water, Electricity & Plant a Tree on birthday were the concepts enforced in the classes to the little ones. Creative activities like worksheet for preschoolers, craft activity for Pre-Primary and work sheet for Class-1 on Reduce Reuse and Recycle.

Children thoroughly enjoyed the art activities and went back thoroughly educated and aware to protect and conserve the environment.
